Lake Youngs PTSA Presents the

2008 Bear Country Carnival

Friday June 6, 2008 - 5:30 to 8:30pm

Volunteer Sign Up Sheet

The Carnival is a great success because of our many volunteers. It has been brought to our attention that many parents choose to not volunteer due to the possibility of not being relieved after their shift. To solve this problem we have made a sign to temporarily close the game if the next volunteer doesn't arrive. This way we can assure you that you will be relieved and able to spend time with your family at the carnival. Your help is always appreciated. Please complete the below form and turn it into the PTSA as soon as possible. Volunteers will receive notice of their assignment the week prior to the carnival.

Thank You for Volunteering!
